

The screenshot shows the BRS form interface. At the top, there are five buttons: "Search", "Log", "History", "Queue", and "Help". Below these is a search input field containing "Q8e" and "USPAT". To the right of the input field are two checkboxes: "Plurals" (unchecked) and "Highlight all hit terms initially" (checked). Below the input field is a "Default operator" dropdown menu set to "OR". The main area of the form is a large, empty rectangular box with a vertical scrollbar on the right side. At the bottom of the form, there is a row of five icons with labels: "BRS form", "IS&R form", "Image", "Text", and "HTML".

1-3 Failed
